April 2023 | Monthly News & Updates

April is Sexual Assault Awareness Month

This year marks the 22nd annual Sexual Assault Awareness Month. According to [National Sexual Violence Resource Center](#) (NSVRC) reports, 81% of women and 43% of men nationwide reported experiencing some form of sexual harassment and/or assault in their lifetime. At Gateway, we are committed to providing shelter and comprehensive services to all victims of domestic violence. We witness firsthand the relationship between sexual assault and various forms of abuse in domestic violence situations. We invite you to join us for Denim Day on Wednesday, April 26th to spread awareness about sexual violence issues, support survivors, and educate ourselves and others.

If you are in crisis or would like more information on how Gateway supports victims of sexual assault, please call our 24/7 crisis line at 303-343-1851.

Upcoming Events

Have you registered for [The Colfax Marathon](#) yet? Denver's largest Marathon is just under six weeks away! Prices go up on April 13th, so make sure you register today to lock in the savings.

Whether you run the 5k, marathon, or relay race, choosing Gateway as your Charity Partner will help us spread awareness about domestic violence in our community. You'll also have the opportunity to join us at Lady Justice Brewing for a pre-race social. If you have any questions about the Colfax Marathon, please reach out to Abigail Smith with any questions about the Marathon at asmith@gatewayshelter.org or 303-577-7932.

REGISTER TODAY

Mark your calendars! Join us on **April 28th** for some delicious eats at Modern Market Eatery in Aurora. You can participate in this fundraiser by dining in, getting take out, or pick-up. Whether you come for lunch or dinner, simply mention you are with Gateway Domestic Violence Services before placing your order and Modern Market will donate 30% of purchases made to Gateway. Click the button below to learn more about this event and RSVP!

Gateway Gratitude

This year Easter was "eggs"-tra special thanks to the wonderful kindness of Gateway volunteers Donna Grubbs and April Jackson. We appreciate the beautiful baskets they created for our clients.

Donna and her friends have supported Gateway for over 11 years. Thank you Donna and April for bringing some fun and delicious treats to those in our shelter. Donna (L) is pictured with Vivia (R), one of our wonderful advocates.

Are you curious about how you can get involved and help domestic violence survivors and their children? For more information on group and individual volunteer opportunities, please email volunteer@gatewaysshelter.org.

A special thank you to everyone at [Ent Credit Union](#) for their generosity and supporting Gateway with a grant through Ent's Community Grant Program. These funds provide much needed support for our emergency shelter and wraparound support services. Thank you, Ent Credit Union, for making a difference in the lives of domestic violence survivors and their children.

Get Involved

Giving to Gateway is easy when you become a monthly donor! Monthly donations are a reliable and steady funding source that allows us to carry out our mission of preventing and eliminating intimate partner violence. Through your support, you can help survivors to connect with our life-changing resources so they can start their journey toward safety, hope and healing.

[Click here to become a monthly donor today!](#)

This month we are in need of some basic household items for our shelter, including basic hygiene items for the adults and children in our programs. Visit our [online wishlist](#) for a full list of our needs.
