Staff Spotlight

Please join us in giving a warm welcome to our new Volunteer Coordinator, Haleigh Rice! Here are a few questions to help you get to know our newest addition to the Gateway team.

What drew you to Gateway Domestic Violence Services?

Upon learning about Gateway and its dedicated efforts to empower survivors of domestic violence, I knew this was a place where I could make a meaningful contribution. The organization's commitment to trauma-informed care, community engagement, and fostering a safe environment resonated deeply with my values and aspirations. Since joining the team, I am blown away by the genuine sense of community and the unwavering commitment to supporting survivors of domestic violence. I am deeply moved by the dedication and passion demonstrated by everyone involved in the organization.

Tell us about the Volunteer Program at Gateway:

My primary goal is to create a dynamic, inclusive, and supportive network of volunteers dedicated to making a profound difference in the lives of survivors of domestic violence. I'll aim to foster an environment where volunteers feel valued, engaged, and connected to the shared mission of empowering those who seek refuge and healing through Gateway.

How has volunteering impacted your life?

Working with volunteers has always been a passion. I volunteered throughout my early-mid 20's and truly learned in depth the role nonprofits play and how volunteers are invaluable to such organizations. I feel that the volunteer spirit is uniquely wonderful, and I am looking forward to building the program and working with our wonderful volunteers. I also seek to foster a sense of volunteerism in my own children as they evolve and become positive contributors to their communities. I am honored and grateful for this opportunity.

If you are interested in learning more about our volunteer opportunities, please contact Haleigh at hrice@gatewayshelter.org.
