Sponsorships are still available! If you or a business owner you know would like to learn more about our sponsorship opportunities and benefits, please contact Marnie Kamensky at 303-577-7924 or by email at mkamensky@gatewaysshelter.org.

Thank You Target Volunteers!

This month we want to give a special thanks to Target team D180 for helping out at our shelter! They tackled so many items on our to-do list including organizing, cleaning & organizing our kids room, pulling weeds, and painting cabinets. We appreciate your hard work. Thank you for supporting survivors!

If you are interested in learning more about individual or group volunteer opportunities at Gateway, please contact our Volunteer Coordinator, Haleigh Rice, at hrice@gatewayshelter.org.

Gateway Expands Digital Inclusiveness with New Accessibility Tool

As part of our commitment to Diversity, Equity, and Inclusion, we are thrilled to announce we now provide accessibility and language support on our website. Recite Me is an innovative cloud-based software that lets visitors view and use our website in a way that works best for them. Nearly one in four people in the US have a disability, including those with common conditions like sight loss and dyslexia, and now they will be able to access our website in the way that suits them best. It also meets the needs of one in five people in the US who speak a language other than English at home, by translating our web content into over 100 different languages.

How do I access the Recite Me toolbar?

You can open the Recite Me language and accessibility toolbar by clicking on the purple button in the top right corner of the page. After you click on the purple button, the Recite Me toolbar opens and displays a range of different options for customizing the way the website looks and ways you can interact with the content.

How does Recite Me help me access this website?

Recite Me helps people access our website and customize the content in a way that works best for them. The Recite Me toolbar has a unique range of functions. You can use it to:

- Read website text aloud (including PDFs)
- Download the text as an MP3 file to play it where and when it suits you
- Change font sizes and colors
- Customize background-color
- Translate text into more than 100 different languages
- Access a fully integrated dictionary and thesaurus

Here at Gateway, providing an inclusive experience online is extremely important and we are committed to ensuring we help everyone to view our content in a way that works best for them.

Shop our Shelter Wishlist!

The graphic features a light orange background with decorative orange and red leaf-like shapes in the corners. The title 'Gateway Shelter' is written in a large, orange, cursive font, with 'WISHLIST' in a smaller, dark brown, all-caps, sans-serif font below it. The text 'Our emergency and extended stay shelters are in need of brand new personal hygiene items. Support survivors by purchasing an item off our wishlist today at' is centered, followed by the URL 'https://amzn.to/3QxPRvs'. Below this are four horizontal bars, each with a heart icon on the left and a text label on the right: a light orange bar with a dark green heart for 'Shampoo', a medium brown bar with a dark brown heart for 'Razors', a dark brown bar with a light orange heart for 'Toothpaste', and a dark grey bar with a dark brown heart for 'Deodorant'.

This month we are in need of personal hygiene items at our shelters including shampoo, razors, toothpaste and more. Shop our Amazon wishlist today and support survivors with your purchase.

Funder Spotlight

Thank you to the Colorado Bar Association for their recent grant to help us with communication and marketing materials for our Court Advocacy Program. Your support allows us to better serve victims in a domestic crisis by providing them with necessary information and resources on their journey to independence.
